## Shapely Flats

### Pendant Lights

This eclectic assortment of original geometric shapes is intriguing to look at from any angle. Creating an illusion of full-bodied figures, the slender figures don't consume space when placed over reception tables, conference or dining room tables. The Hitech-ish collection comprises sliced ovals with curvaceous edges.

Elongated trapezoid-like cuts and a distinct vase-like figure, Hanging with two elegant and high resistant black wires, Put together in any combination of shapes and colors.
